Day-Of Travel Rules

Airport Days

Leave early.

Eat after security.

Keep passports accessible.

Boat Days

Expect sea conditions to affect plans.

Blue Grotto is never guaranteed.

Amalfi Bus Days

Be patient.

Buses can be full.

Traffic can slow everything down.

Hike Day

Turn around whenever you want.

The goal is the view, not completing the trail.

Pompeii Day

Do not try to see everything.

Three to four hours is enough.

Final Travel Tips

Money

Carry some cash.

Use cards where accepted.

Keep a backup card separate.

Phones

Charge every night.

Carry portable battery on long days.

Use WhatsApp for local contacts if needed.

Safety

Use normal city awareness.

Keep phones secure in Paris.

Avoid leaving bags unattended.

Do not accept unofficial airport rides.

The Honeymoon Rule

When choosing between:

- Squeezing in one more thing
- Sitting somewhere beautiful together

Choose sitting somewhere beautiful.

This trip is not a checklist.

This trip is the beginning of your marriage.

Protect the memories.

Protect the mood.

Protect the magic.
