Boarding Plan

Board near the Eiffel Tower area.

Use the Big Bus app for the closest exact stop and live tracking.

Strategy

Do not immediately hop off.

Ride most of the route first.

This helps them get oriented.

Major Sights

They should expect to see:

- Eiffel Tower
- Arc de Triomphe
- Champs-Élysées
- Place de la Concorde
- Louvre area
- Notre-Dame area
- Seine
- Opéra district

Main Decision Point

Choose one primary attraction unless they have tickets and energy for both.

Option A — Louvre Priority

Best if they want:

- Mona Lisa
- Venus de Milo
- Winged Victory
- Tuileries picnic

Recommended Flow

Late morning or early afternoon:

Enter Louvre with timed ticket.

Spend 2–3 hours maximum.

Do not try to see the entire museum.

Priority Route

1. Mona Lisa
2. Venus de Milo
3. Winged Victory
4. Exit before exhaustion

After Louvre

Tuileries Garden picnic.

Buy:

- Sandwiches
- Fruit
- Pastry
- Water
- Optional wine

Sit near the fountains.

This is one of the best Paris honeymoon moments.

Option B — Eiffel Tower Priority

Best if they want:

- Summit views
- Champagne Bar
- Eiffel Tower photos
- Champ de Mars picnic

Recommended Flow

Use pre-booked summit tickets.

Go to the top.

Have champagne if available.

Take photos.

Then relax on Champ de Mars.

Important

If tickets are not booked, do not spend hours waiting in line.

Enjoy the Eiffel Tower from the ground instead.

Option C — Do Both

Only choose this if:

- Both tickets are already booked
- They are feeling energized
- They are okay with a long day

If Wednesday includes Versailles, Tuesday is the only realistic day for both Louvre and Eiffel Tower.

Afternoon Café Stop

Café de Flore

Use as a late-afternoon stop.

Order:

- Coffee
- Dessert
- Champagne
- Wine

Stay 45–60 minutes.

This is more about the experience and photos than the meal.

Dinner Options

Use one tonight and the other Wednesday.

Option 1

Le Volant

Best for:

- Classic Paris dinner
- French onion soup
- Steak frites
- Cozy French atmosphere

Option 2

Pink Mamma

Best for:

- Instagram-friendly interior
- Younger energy
- Fun honeymoon atmosphere

Note:

It is Italian, and they are going to Italy next, so Le Volant is the more distinctly Paris choice.

Evening

If near Eiffel Tower after dinner, watch the sparkle.

Otherwise, return to Airbnb.

Do not overdo the night.

Wednesday, June 24

Goal For The Day

Enjoy a slow Paris morning, do Eiffel Tower if needed, then visit Versailles late in the day to avoid the worst crowds.

This is the last full day in Paris.

Eiffel Tower Window

Use this time only if Eiffel Tower was not completed Tuesday.
